

## New Zealand Rugby COVID-19 Level 2 Clubrooms Guide

New Zealand Rugby has developed the COVID-19 rugby guidelines which prioritises the safety of participants and supporters and provides rugby clubs with guidance on what they need to do to be ready for kick off.

At Alert Level 2 all venues and sporting facilities, including clubrooms and gyms, are able to open. As part of the rugby guidelines and to meet Government COVID-19 guidelines, all rugby club will need to develop a health and safety plan in four key priority areas: trainings, changing rooms, club rooms and match days.

This guide helps Rugby Clubs develop a Clubrooms health and safety plan for its member. Your local Provincial Union can provide you with support and will need to approve the plan before clubs can return to safe use.

Helpful information and resources on health and safety plans can be found on the [Worksafe New Zealand website](#).
